CTC is proud to introduce the Guaranteed Ride Home program!

Goal

The program has been established so that in the event of an emergency a passenger will have a way home in the middle of the day. The service is not available should you miss the last bus of the day and is not intended for non-emergency use.

How the Program Works?

If during the middle of the day you have an emergency and need to get back to your car/bus stop all you have to do is call 513-732-7433 x2 tell the dispatcher what bus stop you would like to be picked-up and what stop you would like to be dropped off at. The dispatch office closes at 5:30PM.

How Can I Sign Up for the Program?

Simply fill out the sections below and either fax it to us at 513-732-7490 or mail it to us at:
