

No Show & Late Cancellation Policy

CTC takes this policy very seriously

Read before your ride!

Cancellations

If a passenger needs to call and cancel a ride, they must call CTC at least 2 hours in advance. If a passenger calls under 2 hours in advance, they will receive a **"Late Cancellation."** If they call under 2 hours a **3rd** time within 30 days, they will receive a

"NO SHOW." If a passenger does not cancel 2 hours in advance because of an "extreme situation," they must call CTC. Cases will be handled on a case-by-case basis.

No-Shows

A "No-Show" is defined as an event in which a passenger has previously scheduled a ride with CTC and fails to call CTC to cancel their ride or fails to appear for their ride.

Three (3) Late cancellations which are within 2 hours of the scheduled time will be treated as a "no show."

Passengers who fail to call and cancel or fail to appear for their scheduled ride in a timely manner **3 times** within 30 days, will be suspended from riding for a period of no less than 30 days. If the client continues to "no show," the period which they are suspended may be increased. This will be based on an individual evaluation of the riders history and the circumstances. If the "No-Show" is due to an extreme and/or extenuating circumstance, the passenger must call CTC and each case will be dealt with on a case-by-case basis.

New Customers

All first time Medicaid eligible customers requesting NET service must have their eligibility verified with the Clermont County Department of Jobs and Family Services (DJFS). CTC contacts DJFS, and the verification process can take up to 72 hours.

Customers may schedule a ride before CTC receives the verification, but customers may only travel within Clermont County and may have to pay for their ride. If a customer has been approved for services but does not use the service for ONE month, CTC is required to verify their Medicaid eligibility again before providing NET service.
